

Kids activity sheet—18th July 2021—Genesis 11:1-9

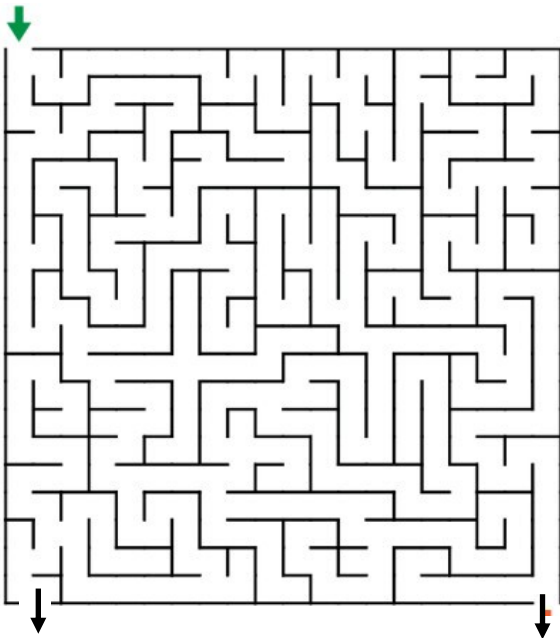

Do you have any questions about what we've been learning today? If not, can you write down what you've learned?

Draw something you're really good at.

Draw or list some things that God has given you (eg strong fast legs, sugar to make yummy cakes)

Find your way through the maze to discover the best way to live.

Do what we want because we're the best!

Remember God knows best and obey him

Colour in all the X's to see what this passage shows us, and what having lots of different languages reminds us.

AT HOME: have competition to see who can build the tallest tower out of blocks or lego. How silly would it be if you decided that per-son was better than anyone else, even God because they could build a tall tower?

Join the dots to remind us what the people in today's story thought would show they didn't need God....

Colour in the tower. Can you add some people?
